WELCOME TO WAUSAU

AVIATORS *of the* National Air Tour

The Wausau Crosley dealers, keeping step with the progress of Aviation as well as Radio, feel a deep pride in welcoming to the Alexander Air Port the flyers on the National Air Tour.

We are particularly proud of our city's own JOHN P. WOOD, leader of the current tour and Charles W. Meyers, winner of the 1927 derby. Mr. Meyers is flying a Crosley plane, equipped with a broadcasting station.
